Kalamazoo County Health & Community Services

The Community Action Agency of Kalamazoo County serves low income residents in a variety of ways (Weatherization, Emergency Energy Assistance, Headstart...)

The CAA Advisory Board is seeking to fill a vacancy from the Consumer Sector—that is, a Kalamazoo County Resident who either receives services from the CAA or whose income qualifies them for services, when needed. This individual will join 4 other consumer partners, 5 agency representatives and 5 elected officials in making decisions about the programs and direction of the Agency.

If you know of someone who is low income, receives services or lives in the community who may be interested in this 3-year term, please contact:

Neighbors enjoying the Annual Picnic after the storm

Bowling Fund Raiser

We have a bowling fundraiser lined up for this year to benefit the After-School Youth Tutoring Program. The event will be held Saturday August 28, from 6-9 PM at Airway Lanes. There is a \$25 per person pledge (which includes 3 games and shoes).

Get together a team today and contact Cheryl at the ONA Center to sign your team up. All bowlers are welcome.

We are also looking for items that could be raffle prizes. If you have something you would be willing to donate, stop by the ONA office. Any and all gifts are greatly appreciated.
